RE: Price Quote for reclamation work

CAT D9L: \$200.00 per hour with our operator
 (based on your company furnishing all fuel)

TRANSPORTATION COSTS: \$100.00 per hour for all loading & hauling time.

We do not have access to any farming equipment for the re-seeding; therefore are unable to give you a quote for that portion of the job.

If you have any questions, please feel free to contact our office.
